To whom it may concern,

I am a resident of Madison County, Idaho and I reside at 10527 E Hwy 33, Newdale, ID 83436.

I, along with my family owned the 40 acres described as Township 6N Range 41E Section 1 NW 1/4 of NW 1/4. *B/W*

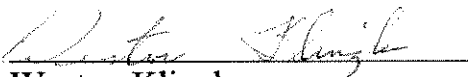

In 1980 I built my home on the NW corner of this 40-acre parcel.

At this time (1980) Clyde Haws (Windy Ridge Farms) was already watering this parcel of ground with well water from their well located just across highway 33; better described as Township 7N Range 41E Section 36 NE 1/4 of SE 1/4 of SE 1/4.

In conversation with my father, Grant Klingler, we determined that Clyde Haws started watering this ground from his well in approximately 1975.

Prior to 1975 and going back to approximately 1965 we pumped water out of canyon creek canal to water this said parcel of ground.

I personally attest that the facts as stated are accurate and true.

Weston Klingler
