REASONS SUPPORTING OBJECTIONS:

This SRBA water claim was disallowed but it should be allowed. This SRBA claim is based on historic water use by the City of Weiser beginning when the City constructed a water supply system. The present point of diversion is through existing wells which pump water into the City

water line grid.

This right should be considered with all of the City of Weiser's water right claims from the Snake River (Basin 03) and Weiser River (Basin 67) drainages. This will facilitate appropriate documentation and remarks regarding the interrelated and combined use of Weiser's surface and ground water rights. The Basin 03 claims for the City of Weiser are: 3-7009, 3-10010, 3-7034, and 3-10198. The Basin 67 claims for the City of Weiser are: 67-2320, 67-4291, 67-4412, 67-10971, 67-10975, and 67-14129.
