RE: Partial Decree for water right 37-12210

Dear Diana:

Water right 37-12210 was recommended in the Director's Report for Domestic and Stockwater, Reporting Area 16 (IDWR Basin 37) filed with the SRBA court on March 5, 1999. The recommendation was unobjected to, and on January 5, 2001, a partial decree was issued.

While reviewing deeds to process an ownership change, it was recently discovered that right 37-12210 was decreed with incorrect legal descriptions. The point of diversion (pod) was correctly claimed in the SRBA at T1N, R18E, Sec. 22 NWSE. The claimed place of use (pou) was T1N, R18E Sec. 22 SENW, which appears to be incorrect. IDWR did note the discrepancy in the legal descriptions in its claim file. Unfortunately, in recommending the right, IDWR reported both the pod and pou in T1N, R18E Sec. 22 SENW -- both descriptions apparently incorrect.

Although the deeds submitted with the change of ownership do not list legal descriptions, the IDWR technical reviewer processing the change was able to verify the lot location through the Blaine County tax records. The county records also indicated that the party that filed the ownership change, Poverty Flats Properties, LLC does indeed now own the property. The reviewer further checked with the attorney representing Poverty Flats, James Speck, who confirmed both the pod and pou would be correctly described in the NWSE of Sec. 22, not the SENW as recommended and decreed.

A copy of the claim, recommendation and partial decree of right 37-12210 is enclosed for the court's convenience. Would it be possible for the court to correct this as a clerical mistake under I.R.C.P. 60(a)? Should you require further assistance in this matter, please don't hesitate to call me at 208-287-4816.

Sincerely,
