Re: Snake River Basin Adjudication (SRBA)
Recommended Water Right No. 74-14400

Dear Diana,

An error was discovered recently in the Special Master's Report and subsequent partial decree. The priority date was transposed from 6/28/1934 to 6/28/1394.

I have enclosed a recommendation the Court may use to consider issuing an amended partial decree, after notice and hearing of course.

IDWR stands ready to respond to any questions the Court may have. I extend my thanks for considering this request.

Sincerely,

Donald V. Shaff, MPA
Adjudication Bureau Chief
