*"Imagine a pristine
The Lodge
wilderness, virtually*

*untouched by the
hands of man."*

- NATIONAL GEOGRAPHIC

Salmon River Lodge. Hard to describe.... easy to love. It's the smell of brisk mountain air, the soft rustle of wind through the trees, and the murmur of the river as it cascades through the canyons. The Lodge itself,

though remote, has all of the comforts for a relaxing and enjoyable stay. The facilities are simple, and rustic, designed to accommodate the pristine wilderness environment that surrounds it.

Observe the many moods of the river through our cathedral window as you conquer that mountain air appetite with a big slice of hot, buttered, homemade bread. Or, sample the fresh vegetables from the Lodge's own garden (in season), and other savory favorites prepared and served family style in our comfortable dining room.
