1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

We disagree with the quantity of (267 CFS)

2. Describe the changes you wish to make in the proposed recommendation:

We think the quantity for this right should be 300 CFS

3. Give a brief explanation as to why you disagree with these portions:

We believe the measurement records show we have used the 300 CFS many different years.

NO I AGREE with this proposed recommendation: no changes need to be made.
