RE: Amended claim needed to resolve objection to 67-11491

Dear Mr. Madsen,

I am sending you this information in a separate packet from the late claim packet in order to prevent any confusion.

You filed an objection to Snake River Basin Adjudication (SRBA) 67-11491 requesting we increase the recommended acreage from 18 acres to 23 acres. In order for IDWR to recommend 23 acres will need to amend claim 67-11491 to claim 23 acres rather than the 18 you originally filed for.

Enclosed is an amended claim for 67-11491. I have highlighted the changes I made in yellow. Please look over the claim and initial any changes you wish to make. When satisfied, sign the claim in front of a notary and return it to me as soon as possible.

Please feel free to contact me with any questions.

Respectfully submitted,

Craig L. Saxton
Water Right Supervisor
Adjudication Bureau
