Dear Mr. Meyers,

The Idaho Department of Water Resources (IDWR) is presently investigating water right claims in the Twin Falls County area in preparation for submittal of Director's Report recommendations to the SRBA Court this Spring. Glen Gier conducted a field exam of the above mentioned water rights in January and met with Kenneth Mulberry to discuss his water use. However, according to Twin Falls County tax lot information, it appears that you are the new owner of the place of use for the above mentioned water rights; 11S 18E S14, 15, 22, & 23. Currently our records show this property belonging Kenneth Mulberry. If you are the owner of this property, please submit to this office a change of ownership form. If no change of ownership form is received, the SRBA recommendation for said water right will be in the name of the previous owner. While the SRBA is active there is no charge to change ownership of water rights, however after these recommendations have been decreed by the SRBA court it will cost \$25 per right to have the ownership changed into your name. I have included a change of ownership form for you to fill out and attach the necessary documentation.

If you have any questions, please feel free to contact this office.

Sincerely,

Amanda Kriwox
