RE: Water Right No. 79-4432
Evidence of Priority Date and Diversion Rate
My client: Kelley Chamberlain

Dear Ms. Hemenway

After our telephone conversation on September 20, 2007, I was able to discuss your preliminary findings with Mr. Chamberlain. He is willing to accept a diversion rate of 0.4 cfs and a priority date of October 1, 1903. For this reason, we will not be submitting further evidence unless requested by you. Thank you for your courtesy in reviewing your efforts with myself and Mr. Chamberlain.

Very truly yours,

Roger D. Ling
