---

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

**The parties and IDWR agree and stipulate that the elements of this water right should be described per the attached amended recommendation. The parties and IDWR further agree and stipulate that the digital depiction of the boundary for Settlers Irrigation District remains unchanged since the place of use element is not contested.**
