Re: Mollie Dalton
Subcase No. 37-11131

Dear Jo:

Enclosed is the Stipulation to Resolve Objection, signed by Mollie Dalton, to be filed in the above subcase.

As you and I discussed, my client and I are concerned that the broad language in the last paragraph on page 1 may be interpreted to affect other water rights presently owned by Mrs. Dalton. You explained that the language is intended to refer to other rights not owned by Mrs. Dalton. In order to allow me to make a record of this point, we agreed that you will schedule a hearing before the Court to review and approve this Stipulation as well as others containing the same language, which presumably other water rights owners will be signing.

Very truly yours,

JEFFREY E. ROLIG
