Re: Snake River Basin Adjudication (SRBA)
Recommended Water Right No. 84-10709

Dear Diana,

An error was discovered recently on this partial decree. The Total Quantity was reported as 0.0450 cfs when in fact it should match the quantity in Water Use of 0.450cfs.

I have enclosed a recommendation the Court may use to consider issuing an amended partial decree, after notice and hearing of course.

IDWR stands ready to respond to any questions the Court may have. I extend my thanks for considering this request.

Sincerely,

Donald V. Shaff, MPA
Adjudication Bureau Chief
