RE: 2-4006B

Misty Mount

I would like to set up a time and date to meet with you or another IDWR employ to go over my water right that is being adjudicated this year. I can either come over to the Boise office or you can come to my property in question so you can see in person the situation.

I don't agree with the total acres or the total amount of diversion and I think that if we sit down we can come to some kind of answer to my problem.

I will be out of town the last part of Oct. (17-31) but after that any time I can meet you.

Thank you in advance,
