RE: Subcase No. 21-12877

Dear Messrs. Moon:

Enclosed please find a document entitled "Standard Form 5 – Stipulated Elements of A Water Right" (commonly referred to as SF 5) which has a revised recommendation attached. Pursuant to your objection, IDWR has revised its recommendation to this water right to correct errors.

Please review the new recommendation, which is attached to the SF 5. If all the information is correct, please sign and date the first page of the original and **initial the changes** on the page entitled "*Idaho Department of Water Resources Recommended Water Rights Acquired Under State Law*". After you have signed and initialed the originals, please return them to me. The SRBA Court set an initial hearing for April 24th. It is our desire to file this document prior to that date so that this hearing may be vacated.

If you have any questions regarding the enclosed documents, please do not hesitate to call me at: 287-4814.

Sincerely,

A handwritten signature in cursive script that reads "Becky J. Harvey".
