RE: Snake River Basin Adjudication (SRBA)

Dear Senator Stennett:

Your request today to Shelley Keen for the current recommended splits in water rights for the Friehe property that are appurtenant to the property you purchased in the Pahsimeroi was forwarded to me.

I have enclosed a copy of our recommendations for the water rights involved in each property as well as associated layouts. The recommendations for the Friehe rights before the splits are enclosed to form a base for your analysis. You will see from the Split/Overlap Analyses the water right number assigned to each split. Since you already have our recommendations for your water rights, I did not burden you with more paperwork.

One of the maps just shows the three blocks of property as I interpreted them from the deeds and maps you provided last March. These blocks drove the splits and recommendations.

I would be pleased to sit down with you at your convenience and review any of the rights involved in your request. I'll be out of the office from October 15 through October 26, and again the first week in November, but am available around and after those dates.

Sincerely,

Donald V. Shaff, MPA
Adjudication Bureau Chief
