RE: Subcase Nos. 21-12980 & 21-12981

Dear Michael & Laura Dolezal:

Enclosed please find documents entitled "Standard Form 5 – Stipulated Elements of A Water Right" (commonly referred to as SF 5). Pursuant to your objection in 21-12980, IDWR revised its recommendation to the water right to correct a clerical error in the tributary. For 21-12981, I have attached a copy of the water right recommendation as it was originally reported since there will be no change to that water right description.

Please review the enclosed documents carefully. If all the information is correct, please sign and date the first pages of the originals and **initial the pages** entitled "*Idaho Department of Water Resources Recommended Water Rights Acquired Under State Law*". As you know, the SRBA Court set an initial hearing for Tuesday, April 24<sup>th</sup> at 4:30 p.m. Please bring the original signed documents to the Madison County Courthouse on Tuesday and the SF5s can be filed with the SRBA Court that day.

If you have any questions regarding the enclosed documents, please do not hesitate to call me at: 287-4814.

Sincerely,

A handwritten signature in cursive script that reads "Becky J. Harvey".
