RE: Subcase No. 21-2069

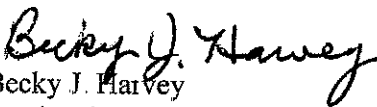

Dear Mr. Foster:

Enclosed please find a document entitled "Standard Form 5 – Stipulated Elements of A Water Right" (commonly referred to as SF 5) which has a revised recommendation attached. Pursuant to the objection, IDWR has revised its recommendation to this water right to correct the place of use and also corrected a clerical error in the season of use element.

Please review the new recommendation, which is attached to the SF 5. If it meets with your approval, please sign on behalf of your client, Natural Guardian Limited Partnership, date the first page of the original and **initial the changes** on the page entitled "*Idaho Department of Water Resources Recommended Water Rights Acquired Under State Law*". After you have signed and initialed the originals, you may either return them to me or file the SF 5 directly with the SRBA District Court. The court set an initial hearing for April 26th. It is our desire to file this document prior to that date so that this hearing may be vacated.

If you have any questions regarding the enclosed documents, please do not hesitate to call me at: 287-4814. Thank you for your cooperation.

Sincerely,

Becky J. Harvey
Paralegal
