Re: Arrowhead Water District

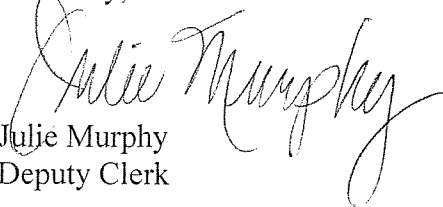

Dear Mr. Rigby:

On October 25, 2007, the court was notified, via email from Katie Goble at IDWR, that Arrowhead Water District sent to IDWR separate *Standard Form 1 Objections* for water rights 75-7, 75-17D and a "revised" *SFI* for 75-10076. Please be advised that said documents have not been filed with the SRBA Court. The court did receive a timely filing for the initial *SFI* for 75-10076, however, we did not receive the "revised" filing. A copy of each of these documents is enclosed. You are listed as counsel.

Should Arrowhead Water District desire to file these documents with this Court, they will need to file a *Motion to File Late Objection* for each water right number as the deadline to file timely objections expired on October 17, 2007.

If you have any questions regarding this matter, please feel free to contact the court.

Sincerely,

Julie Murphy
Deputy Clerk
