	)	SCHEDULE

_____	)	

On October 26, 2007, the Shoshone-Bannock Tribes, State of Idaho, the United States, and Preston Allen & Sons, by Jerry Rigby, filed a *Joint Motion to Amend Trial Schedule Order*, hereinafter referred to as the "Joint Motion," in the above subcases. The purpose of the Joint Motion is to provide time for analysis of additional water diversion data to assist in establishing the total volume of the actual irrigation diversions for the entire Blackfoot River Basin this year. The parties would then use the total volume data to assist in a determination of whether an equitable adjustment under the 1990 Fort Hall Indian Water Rights Settlement Agreement is required and, if so, to determine the amount of the adjustment.

The present trial schedule of November 14, 15, and 16, 2007 will not allow for the analysis of this additional water diversion data or for the negotiations of any determination of an equitable adjustment under the 1990 Fort Hall Indian Water Rights Settlement. The parties expect to produce a determination of whether an equitable adjustment is necessary and an agreement for procedure for providing that adjustment. Accordingly, the Joint Motion to Amend Trial Schedule Order is granted.

The following schedule shall apply to the above listed subcases:
