1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

2. Describe the changes you wish to make in the proposed recommendation:

Our 1893 Oregon bylaws state that the Woodville Canal Company was to irrigate approximately 3000 acres.

3. Give a brief explanation as to why you disagree with these portions:

I agree with Ron Carlson - It is the accounting process that is confusing. Why have we had to turn off weekends if we had to much water. This water was

☐ I AGREE with this proposed recommendation: no changes need to be made.

decided to use and our board does not feel we can afford to lose it. We have to much gravel & sandy soils to lose water if we were to back to surface irrigation.

Also, I disagree on your acreage. original bylaws of 1893 state that we, woodville canal comp. irrigated approx. 3000 ACRES.

I feel also as Ron Carlson does, that the 13 C.F.S. you want to take away should be allocated the pump diversions that are to be filed after 1987 date.

I sign these papers under protest of unresolved issues. Doyle Rummsey
