Signature of objector or attorney
mailing on Objector's behalf

ATTACHMENT 1
STANDARD FORM 1 – OBJECTION
SUBCASE 37-21963

The Director's Report incorrectly identifies the Place of Use for irrigation of lands under this water right. The correct, historic place of use is as follows:

TWP	RNG	SEC	1/4	1/4	Lot	Acres
2N	21E	3	SW	NE		10
			NE	NE		3
					Total	13

Terry and Anita Clark also object to the inclusion of the limiting remark set forth under Place of Use element, as reflected in the Director's Report:

The rights listed below are limited to the irrigation of a combined total of 170 acres in a single irrigation season. Combined Right Nos.: 37-1120, 37-1140, 37-21383, 37-21745, 37-21746, and 37-21963.

ATTACHMENT 2
STANDARD FORM 1 – OBJECTION
SUBCASE 37-21963

Reasons Supporting Objection(s):

Quantity:

The claimed quantity of 0.26 cfs should be recommended in full, based upon historic diversion, delivery, and use of irrigation water by Terry and Anita Clark and their predecessors.

Place of Use:

The place of use described in the Director's Report does not accurately describe the lands historically irrigated under this water right. Additionally, there is no legal basis for inclusion of the acreage restriction remark.
