RE: EJ Wilson & Sons, Water Right No. 74-10043

Dear Nate:

Enclosed with this letter is an Affidavit that has now been executed by Charles E. Wilson regarding the small power plant on the tributary to Clear Creek in Lemhi County. We hope this will be enough information to complete the processing of this SRBA claim. If anything else is needed, please let us know at your convenience.

Yours very truly,

Kent W. Foster

**AFFIDAVIT OF
CHARLES E. WILSON**

STATE OF IDAHO

County of Bonneville

Charles E. Wilson, being first duly sworn, on his oath deposes and says:

1. I am a citizen of the United States, of the age of seventy-one (71) years, having been a resident of the State of Idaho for my entire life, and have personal knowledge of the facts set forth herein. The statements made in this affidavit are based upon my own personal experience, knowledge and recollection.
2. For many years, my father, E.J. Wilson, my brother, James E. Wilson, and I did business as E.J. Wilson & Sons, a general Idaho partnership. Our business included the location and other acquisition and the operation of a number of mining claims in the State of Idaho. One group of such claims included some gypsum claims located in and near the head waters of Clear Creek in T14N., R28E., in Lemhi County, Idaho. For many years, I personally resided much of each year at a mining camp we established on Clear Creek near the gypsum claims, and participated directly in the mining of gypsum which we hauled and sold to a cement plant located near Inkom, Idaho.
3. In the early summer of 1957, I personally constructed a small hydroelectric power plant, using a pelton wheel generator, on a small stream in the SWNESE, Section 10, which is tributary to Clear Creek. The electric power generated by such plant was used for electric lights and some electric powered equipment for dwellings, outbuildings, shops and other facilities at the mining campsite. The power plant has been operated every year since 1957 and still provides electric power for such purposes at this location.

DATED this 5th day of November, 2007.

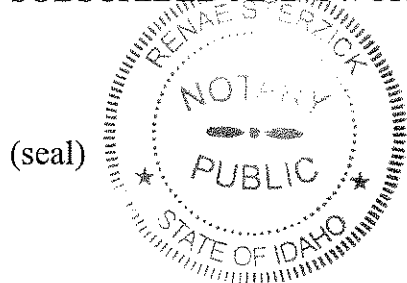

Charles E. Wilson
