

5/14/1954 T819 pulled ~~1.60~~ 1.60 cfs off of the NWNE of sec 30 and kept it w/ high water only.

Transfer 819 would have left 1.60 cfs on NENE

1938 book shows 0.80 cfs of Hatfield right in SEER
 1942 " shows 0.80 " " " " CHENEY
 1976 " " " " " " " "

Wd had no regard for POU
