Re: SRRBA proceeding (Smith/Klausmann)

To Whom It May Concern:

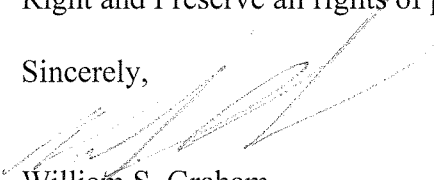

Please consider this letter a removal of the protest filed by Boyd Smith (then owner of Right No. 22-11960) for Proposed Diversion Right Change originally filed by the Klausmann family in 1998 (Right No. 22-146).

I am currently the legal owner of the property and water rights that were potentially impacted by this change request.

Mr. Klausmann will be requesting cancellation of his request for the change in diversion point in the near term. In short, we wish for the *status quo* to remain in effect for Right No. 22-146.

Mr. Klausmann reserves his future rights to request changes to the aforementioned Water Right and I reserve all rights of protest.

Sincerely,

William S. Graham
