Re: Resolution of Idaho Department of Lands Objections to Water Right Nos.  
74-4004A and 74-4004B.

Dear Special Master Dolan:

I presented the Private Settlement Agreement Between the State of Idaho, Department of Lands, and Haynes Creek Cattle & Horse Association to Director George Bacon for consideration on Wednesday. He concluded that he should inform the State Board of Land Commissioners of the proposed settlement in the next executive session. He directed me to inform the Court and the claimants of his action. I realize that this action delays the resolution of the above two matters. But, I remain very hopeful that this matter will still be resolved in conformance with the negotiations between the claimants and the staff of the Idaho Department of Lands. My expectation is that that briefing in executive session will occur in December 2007.

Sincerely,

A handwritten signature in black ink, appearing to read "David J. Barber".
