Subject: Objection to Snake River Basin Adjudication 67-10637

Dear Mr. and Ms. Cole,

I received a call from David Stanish, Deputy Attorney General, regarding the Idaho Department of Lands objection to your water right recommendation for 67-10637.

Mr. Stanish mentioned he had spoke with you on the phone. It sounds to me like there might be some confusion on IDWR's part as to what ground you irrigate.

I am enclosing several different maps for your review. Please choose one that is most readable to you and outline the area that is irrigated from Lakey Creek. Then, in the enclosed postage paid envelope, return the map to me at your earliest convenience.

If you do not use Lakey Creek water for irrigation, please contact me.

Please feel free to contact me if you have any questions.

Respectfully submitted,

Craig L. Saxton
