Case No. 39576

A. Subcase 47-13191

Subject:

The Twin Falls Canal Company has objected to the above referenced water right claim. The basis for the objection is that the claim is based on wastewater.

Please be informed that the unnamed stream is a spring fed stream which also contains TFCC wastewater. The basis of the claim is for the spring fed base of the stream flow.

Respectfully,

Gary R. Burkett, P.E.
