RE: Motion to File Late Notice of Claim for water right 74-861

Dear Diana:

On October 12, 2007, Nicholas Munning filed a Motion to File Late Notice of Claim for water right 74-861. It appears that Mr. Munning is claiming a portion of parent right 74-861, which has been split out to numerous children rights. To avoid any possible confusion between the parent right and Mr. Munning's claim to a portion of that right, IDWR has renumbered his late claim to water right 74-15833.

The motion is set for hearing on January 15, 2008. Should the court grant Mr. Munning's motion, IDWR will report the water right as right 74-15833.

Please don't hesitate to call me at 208-287-4816 should you have any questions. Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in dark ink, appearing to read "Vicki Kelly", is placed below the word "Sincerely,".
