RE: Standard Form 5 in subcase 67-94

Dear Mr. Harrell:

Enclosed you will find Standard Form 5 (SF5) for water rights 67-94 signed by IDWR. These documents are standard settlement agreement forms used by the SRBA Court. Attached to the SF5 has the updated descriptions (recommendation) of your water rights prepared by water agent Craig Saxton. The recommendation reflects changes made to your water right descriptions following your discussions with Craig.

Although you are aware of the changes, please review the recommendations carefully. If the revised recommendations meet with your approval, please initial the recommendation pages as indicated and sign page one of the SF5. After you have signed and initialed all of these documents, please have an officer of the Ditch Company also sign and initial. Then return the forms to me in the envelope provided and I will file them with the SRBA Court. You will receive copies of the SF5 once it is filed. Should you have any questions concerning the recommendation, please contact Craig Saxton at our office in Boise at 208-287-4918.

Should you require any further assistance or have other questions, please contact me at 208-287-4910. Thank you. We appreciate your patience in this matter.

Sincerely,

Danni M. Smith
Office Services Supervisor
