RE: Change of Ownership for AJ Recommendation 79-10064

The AJ recommendation was split as follows:

Parcel A = 79-14206 for Seyedbagheri – 0.02 cfs on 0.7 acres
Parcel B = 79-14207 for Chamberland Inc. (Mattice) – 0.02 cfs on 0.8 acres
Parcel C = 79-14208 for Chamberland Inc. – 0.02 cfs on 0.5 acres

No fee is required for changing the ownership/splitting 79-10064 since the claim is still pending before the SRBA. A refund will be necessary, but the amount will be based on whether water rights 79-7063 and 79-10065 are split or even conveyed to the new owner. Parcel A does appear to have a building on it, but it is not possible to determine if there are dwellings on Parcels B and C in the 2004 NAIP photo.
