Subject: Withdrawal of Objection 75-7161

I am requesting that my objection (75-7161) to the Snake River Basin Adjudication Case No. 39576 be withdrawn. I justify this withdrawal on the revised photograph provided to me by the Department of Water Resources in letter dated December 12, 2007 (Nate Arave, Water Resource Agent). This photograph reflects the proper point of diversion and place of use for water right 75-7161.

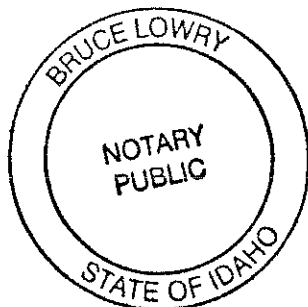

I have provided a copy of the letter and photograph for reference.

Sincerely,

A handwritten signature of Robert K Jones in cursive script.

RE: 75-7161 Objection

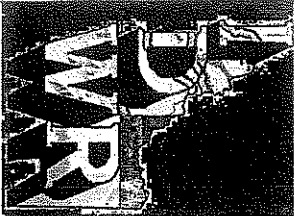

ROBERT K AND ANN L JONES
2169 ELMORE
POCATELLO, ID 83201

Dear Mr. and Mrs. Jones,

I have reviewed your objection. It appears to me that the point of diversion and the place of use as currently recorded reflect the photograph supplied with the objection. This change does not result in a change in the elements of the water rights as listed on the recommendation. I have enclosed a copy of a map displaying the current place of use and point of diversion. If this is satisfactory to you please consider withdrawing your objection. If you have any questions or concerns please contact me at the number listed below.

Respectfully Submitted,

Nate Arave
