RE: Notice of Claim to a Water Right No. 75-4362,
In the name of Darrell A. or Virginia H. Becker

Dear Jennifer:

We are in receipt of your letter of August 12, 2003, and the enclosed photo/map. We have reviewed the claim we helped Beckers prepare in 1989, but unfortunately have no further information with which to provide assistance. Both Mr. and Mrs. Becker have been deceased for several years now, and we really know of no one else who has the familiarity with water use from Hughes Creek that Mr. Becker had.

From the map we submitted with the claim, it appears that much of the irrigated land was between Hughes Creek and the North Fork River. But, the claim shows a total of 44 acres, and perhaps some was west of Hughes Creek and/or east of North Fork. I do not even know the exact location of the "Highline Ditch" referred to in the claim by Mr. Becker. I am sorry we are not able to be of better assistance.

Yours very truly,

Kent W. Foster
