Dear Mr Sweet

Enclosed is the copy of the above listed claim as changed. Please review the claim to verify the data entry changes and that the claim was split as intended. I have enclosed a profile report of the portion conveyed to Mr Logan.

Mr Logan told me that you no longer own any of the property appurtenant to the ground listed in this claim. If this is correct then a change of ownership for this property is also necessary.

CHANGE OF OWNERSHIP

Dear Mr Sweet

Enclosed is the copy of the above listed claim as changed. Please review the claim to verify the data entry changes and that the claim was split as intended. I have enclosed a profile report of the portion conveyed to Mr Logan.

Mr Logan told me that you no longer own any of the property appurtenant to the ground listed in this claim. If this is correct then a change of ownership for this property is also necessary.

Sincerely

Re: Change in Ownership of Notice of Claim A37-00102

Dear Ms. Givens:

This letter is in response to your letter to Brian Ballard dated December 8, 1993. Please find attached to this letter the Application for Transfer of Water Right as approved by the Department of Water Resources for Claim 37-07064E which was at one time a part of A37-07064A. We agree with you that the Warranty Deed included a typographical error with regard to identification of this license and that A37-07064A is the correct license.

With regard to the request for transfer, it only applies to the decreed water right A37-00102. We are only requesting a transfer of 1.66 cfs of the 8 cfs owned by John Brown Property Partnership. The property description you requested is included within the Warranty Deed toward the bottom following the paragraph starting "Section 25." The total amount of property transferred under this Warranty Deed is 29.7 acres. Two acres are located in the NE $\frac{1}{4}$ NW $\frac{1}{4}$, Township 1 North, Range 18 East, Section 25. The remaining 27.7 acres are located in the SE $\frac{1}{4}$ NW $\frac{1}{4}$, Township 1 North, Range 18 East, Section 25. I have enclosed a copy of the map submitted with the Application for Transfer of Water Right 37-07064E showing the location of the property. Please note that the point of diversion and place of use as designated on this map are applicable to license 37-07064E. The map is merely intended to clarify the lay of the land. Finally, I have also enclosed the original application for change of ownership which you returned to us.

RE: ADJUDICATION CLAIM NO. A37-00102 - THE JOHN BROWN PROPERTIES
PARTNERSHIP

Dear Mr. Ballard:

This letter is in reference to the above Change of Ownership that we received April 3, 1992. Please accept my apology for our delay in processing the change. In reviewing the paper work, I find there are several things that need to be addressed. In doing a computer search, I found another claim (proof report enclosed) with a groundwater source that is used for the same place of use. The Warranty Deed lists another Claim A37-0769A with a split of .46 cfs. According to the listing of Claims on that property, A37-07064A is under the John Brown Properties Partnership, therefore, it appears A37-0769A is a typo-error on the Warranty Deed. Also, we will need to know the number of acres that go with the split.

I am returning the paper work to you. If you want the other Claim transferred as the Warranty Deed lists, please add to the Change of Ownership form with the split of the Claim listed as the deed lists.

Should you have any questions, please feel free to contact me at this office.

Sincerely,

Judy

SUBJECT: CHANGE OF OWNERSHIP FOR A37-07064C AND A37-00102A
phone call (.) walk-in (X)

They brought in a warranty deed going from Sweet to Bodner. They purchased from Bodner. A37-07064C is in Bodners name. I gave them a change of ownership form to complete and return with a warranty deed going from Bodner to them.

A37-00102A is in John Brown Properties name (%john Sweet). profile report includes their property in the p/u legal. I gave them the profile report for 102A and a change of ownership form. I explained that they will have to show the change from John Brown Properties to them and the proportionate split to complete the ownership change for that right.
