Re: Snake River Basin Adjudication (SRBA)
Investigation of Claim No(s). 75-14035

Dear Mr. Skeen:

Lemhi County tax lot information shows that you are the current owner of the property that is claimed in the enclosed Notice of Claim. If you do own the property and you want your name in the final recommendation, you will need to file a change in water right ownership form and mail it to this office. Be sure to include a copy of the warranty deed or other document as described in item 2. B.

Also, we are currently doing the final review on the claim noted above. It appears that you may wish to amend the Notice in order to claim a priority date that is earlier than the 1908 date originally claimed.

I have enclosed a claim for your use that shows an 1899 priority date. If you agree that you wish to amend the claim, please sign the form in the presence of a Notary Public and return it to this office as soon as possible.

Please do not hesitate to contact me if you have any questions regarding this matter.

Sincerely,

Gregory J. Taylor
Sr. Water Resource Agent
