Re: Water Right Claim #75-14263

Dear Ms. Harris:

The IDWR is in the final stages of the Snake River Adjudication and your claim number 75-14263 is going to be recommended as shown on the enclosed recommended claim form.

On June 17, 2006, the IDWR received a letter from you stating you would like to increase the acreage claimed from 5.0 acres to 6.04 acres, since that is the amount you have been assessed by the county. In order to do so, you must complete the enclosed form as an amendment and return it to this office by November 10, 2006.

If you have any questions, feel free to contact me at this office.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
