Dear Mr. & Mrs. Anderson:

Our department received your ownership change request for water rights in the Diamond Creek Subdivision. Due to the confusing nature of these rights, we have decided not to process ownership changes until our agents conduct field exams of the Salmon River drainage in 2005.

While I cannot guarantee you have water rights, if your property was historically irrigated, it is likely you have a share of the Diamond Creek rights.

Respectfully,

A handwritten signature in cursive script that reads "Ernest Carlsen".
