RE: Motion to File Late Claim to Water Rights (A34-00176A) & (A34-00807B)

To Whom It May Concern:

In 1994 my husband and I purchased an acreage in Mackay Id. owned by the late Maurice Hardman. At that time his son told us we were entitled to the water rights that accompanied the land.

We checked with the Mackay Irrigation District and Don Scarr, an Irrigation District employee, gave us a computer print out describing our water rights. Mr. Scarr discussed coming out to our land to help us work out a delivery system. In discussions with him and other water users in Mackay we understood that we had a water right and that it was one of the oldest in the valley.

When we bought the land we lived in Pocatello and were ignorant of water rights. We assumed that as long as we paid our irrigation district bill and had been assured by the previous land owner and the Irrigation District of our water right, that all well.

We then moved to Mackay, later purchasing an adjoining acreage and assuming we would be able to use our water rights on the entire plot. We were not aware that there was a problem until we received a letter, this spring, from the Mackay Irrigation District stating that we were being taken off the roles.

We regret that our filing of these claims is late and hope this letter helps explain our misunderstanding. We would be very grateful for any help in rectifying this situation.

Sincerely,

Dianne Hill-Parker
