Dear Nate,

Find enclosed support information
I was gathering for 2 irrigated
acres for water no. 74-065D.

I have delivered most of this
info. to the clerk of the court
in town as well as the objector
to 74-605C of which a copy is
enclosed. In the reports I
read on the "web" it looks
as if there are 2 acres left
unclaimed in 74-605 - can
this be? Dan Mudd
