LEMHI IRRIGATION DISTRICT 2004 STATEMENT

The Lemhi Irrigation District bills each year at this time for irrigation water usage. The charge is \$0.28 per irrigated acre, with a minimum billing of \$1.00. Please do not send more money than you owe. We cannot credit accounts into the future, and it is expensive for us to have to make the refunds to you.

You receive two water bills each year. One is from Water District 74 and is based on the cubic feet per second used.

Lemhi Irrigation District assesses you a fee based on the irrigated acreage. The districts are separate and cannot be paid with the same check.
