27-49	- IDWR notes: "The 1987/88 imagery shows the ditch dead ending in the SWNE, Sec. 27, T.7S., R.43E." 4-30-2005 - IDWR notes: Previous owner stated on 12/11/2003: "hasn't been used for 30 years (since he was a kid)." - IDWR notes 4/30/2005: "Recommending the land in Section 29 only as irrigated prior to 1987."	- The ditch was non-serviceable in 1980, 1987, 1992, 1997 and 1999. - Can IDWR approve a transfer for a water right that has been abandoned for over 30 years to a wetlands project? The wetlands project restricts livestock from the project area. - NRCS indicates the wetland project will have no diversions and that it will be entirely natural. - IDWR appears to not have conducted a field investigation. - Claimant states that he wants to transfer water right to wetlands. No water diverted for wetlands at this time. (statement by claimants attorney 2-21-2007)	145.7/2.91	Irr. = 0.0/0.0 Livestock = 0.0 except for use directly from the river.
