Subject: SF5 request for Water Right No. 27-11960

Please prepare a SF5 for water right No. 27-11960 of Circle Two Bar Ranch Inc. I have been in contact with Ms. Trisha Burch and she has stated that there is 250 head of cattle that utilize this stockwater right. Therefore we calculated a 2.11 AFY volume by using a 12 gal/day/cow for 230 days. Let me know if you have any questions regarding this request.

Also I have not heard back on any of the other SF5 requests that we have with you? Has Dave had a chance to review them?
