INSTRUCTIONS

This form is used to file a late Notice of Claim or an amendment to a Notice of Claim in a reporting area where the Director's Report has been filed. Forms may be obtained from the SRBA Court, the Idaho Department of Water Resources (IDWR), or you may copy or reproduce this blank form. If you copy or reproduce this form, please copy on both sides with the even-number pages upside down.

The water right number for your late or amended claim must be indicated above in the blank space following "Subcase." You must use a **separate form for each** late or amended Notice of Claim.

This form has been adopted by the court in **SRBA Administrative Order 1, Rules of Procedure** (amended Sept. 30, 1996), Section 4, which may be consulted for further information.

By filing a *Motion to File a Late Notice of Claim* or a *Motion to File an Amended Notice of Claim*, you certify that it is well-grounded in fact; is warranted by existing law or a good-faith argument for the extension, modification or reversal of existing law; and is not filed for any improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation.

☒ I have read **SRBA Administrative Order 1, Rules of Procedure** (amended Sept. 30, 1996).

MOTION TO FILE A LATE NOTICE OF CLAIM

A Motion to File a Late Notice of Claim will require a hearing before the Presiding Judge.

☒ I did not file a Notice of claim to the use of water in the SRBA because:

Wallach IX purchased the subject property on September 20, 2007 and did not
immediately discover the springs. Upon discovery, Wallach IX conducted factual and
legal investigations to determine whether these springs could be claimed in the SRBA and
to identify an appropriate priority date. This due diligence was only recently concluded.

☐ I filed a Notice of Claim and elected to defer judicial proceedings on my domestic or stock watering use. I desire to reinstate my Notice of Claim for domestic or stock watering use.

☒ I am providing legal and factual documentation for my claimed use of water. You must describe these documents and attach a readable copy. (You do not need to fill this out if you are reinstating a Notice of Claim for domestic or stock watering use, but you **must** attach a copy of your Notice of Claim.)

01-23-08 Letter from Tom Grossen

I have attached:

- ☒ A fully completed Notice of Claim (available from IDWR).
- ☒ A claim filing fee for a domestic and stock watering use. IDWR may charge this fee pursuant to I.C. § 42-1414. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$ 100.
- ☐ A claim filing fee and a late claim fee for those claims other than a domestic or stock watering use for which a notice of claim was not filed. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$ _____.

My name is Tom Grossen and I am a resident of Adams County, Idaho. This letter is provide information regarding historical use of stockwater springs on property located in Adams County, Idaho, currently owned by Wallach IX, LLC, a property formerly known as the "Bankhead" property, whose address is 1059 W. Indian Valley Road.

I was born in 1944 and raised in Indian Valley on an adjacent property located at 1010 Highway 95, Indian Valley; and have resided in the vicinity of this property throughout my life. I currently reside at 2245 Ogle Lane, Indian Valley, about a half mile east of the property.

I have observed cattle on the property throughout my life and while it's likely that the springs have been used by cattle since the early homesteaders in the late 1800's, I've observed cattle using these springs since I was 14 years old. That would be 1958.
