Dear Mrs. Heaps,

I was contacted by Craig Saxton regarding the above mentioned claim. It appears there may be some confusion regarding the "late" claim fee. This water right was claimed as decreed in the Lemhi Adjudication and as a result the claim fee was waived. The claim itself though was filed after the claims taking period had ceased, as a result a "late" claim fee of \$100 is required to process this claim. For your convenience I've enclosed the letter sent by Glenn Saxton. If you have any further questions regarding this issue please contact me at the number listed below.

Respectfully Submitted,

Nate Arave
