Re: City of Pocatello Reservoir List
MTBR&F File No. 15863.0000

Dear Shelley:

Enclosed is a copy of the City of Pocatello's reservoir list. Carter Fritschle reviewed the City's SRBA claims last summer and requested the reservoir list to confirm that the City's reservoir and tank storage facilities are capable of being fully recharged by the quantity of water available in a 24 hour period from all of the City's sources of water.

If you have any questions, do not hesitate to call.

Yours very truly,

Josephine P. Beeman
