RE: WATER RIGHT 75-10061AM

Please find enclosed a Notice of Error reply with corrections to owner (now just Steven Yowell since the death of Kathleen), address and phone number as above, and my concerns that the acreage should be 5 acres irrigated since the property is 5.2 acres and there are no buildings, outbuildings, drive ways or other non-irrigable land except the access road that runs along some edges of the property. Also enclosed is a copy of Kathy's death certificate, a copy of a recent tax bill stating the acreage, and a copy of your form as well as the Notice of Error reply form.

If you require any further documentation, please contact me.
