GENERAL LAND OFFICE

MINERAL CERTIFICATE

No. 27035

No. 304

THE UNITED STATES OF AMERICA,

To all to whom these Presents shall come, Greeting:

WHEREAS, In pursuance of the provisions of the Revised Statutes of the United States, Chapter Six, Title Thirty-two, and legislation supplemental thereto, there have been deposited in the GENERAL LAND OFFICE of the United States the Plat and Field Notes of survey and the Certificate, No. 304 of the Register of the Land Office at Hailey, in the Territory of Idaho, accompanied by other evidence, whereby it appears that H. E. Miller

did, on the thirteenth day of December, A. D. 1899, duly enter and pay for that certain mining claim or premises, known as the Sunny South lode mining claim

designated by the Surveyer General as Lot No 92 embracing a portion of sections ten and fifteen in township two north of range seven east, Boise meridian

in the Mineral Hill Mining District, in the County of Alturas and Territory of Idaho, in the District of Lands subject to sale at Hailey

and bounded, described, and platted as follows, with magnetic variation eighteen degrees and thirty minutes east.

BEGINNING at corner No. 1, a granite stone 28 x 14 x 4 inches chiseled $\frac{1}{4}$ from which an ash in five inches in diameter placed and marked B.T. $\frac{1}{4}$ bears north, sixteen and five tenths feet distant.

Thence first course, south thirty-eight degrees and twenty-seven minutes west, three

hundred feet to south east end center of claim a granite stone $30 \times 6 \times 8$ inches marked 794 from which a stone monument at mouth of open cut at disconing bears north fifty-one degrees and thirty-three minutes west two hundred feet distant, six hundred feet to corner No 2.

Thence, second course, north fifty-one degrees and thirty-three minutes west one thousand five hundred feet to corner No 3, a quartzite stone $25 \times 6 \times 7$ inches, chiseled 794 from which the corner common to sections nine, ten, fifteen and sixteen in township two north of range seventeen east, Boise meridian, bears north sixty-six degrees and thirty minutes east five hundred feet distant, corner No. 1, of lot No. 72, the Pass lode claim, bears north forty degrees and thirty-nine minutes west four hundred and twenty-nine feet distant, and corner No. 1 of lot No. 73, the Monarch lode claim bears south five degrees and seven minutes east three hundred and seventy-eight and nine tenths feet distant.

Thence, third course, north thirty-eight degrees and twenty-six minutes east two hundred and fifty-four and fifty-eight hundredths feet intersect line between said sections ten and fifteen at east one hundred and sixteen and eighty-three hundredths feet from the corner common to said sections nine, ten, fifteen and sixteen, six hundred feet to corner No. 4.

Thence, fourth course, south fifty-one degrees and thirty-three minutes east four hundred and five feet to shaft, four hundred and thirty-five feet intersect line between said sections ten and fifteen at east one thousand one hundred and seventy-two and thirty-two hundredths feet from the corner common

to said sections nine, ten, fifteen, and sixteen, now known as
five hundred feet to corner No. 1, the place of beginning; said
lot No. 92 extending one thousand five hundred feet in
length along said Sunny South vein or lode, and con-
taining twenty acres and six hundred and sixty-two
thousandths of an acre of land, more or less.

NOW KNOW YE, That there is therefore hereby GRANTED by the UNITED STATES unto the said H. C. Miller

and to his heirs and assigns, the said mining premises herein
before described, and not expressly excepted from these presents, and all that portion of the said Sunny South
vein, lode, or ledge, and of all other
veins, lodes, and ledges, throughout their entire depth, the tops or apexes of which lie inside of the surface boundary lines of
said granted premises in said Lot No. 92, extended downward vertically, although such veins, lodes, or
ledges in their downward course may so far depart from a perpendicular as to extend outside the vertical side lines of said
premises: *Provided*, That the right of possession to such outside parts of said veins, lodes, or ledges shall be confined to such
portions thereof as lie between vertical planes drawn downward through the end lines of said Lot No. 92
so continued in their own direction that such planes will intersect such exterior parts of said veins, lodes, or ledges: *And*
provided further, That nothing herein contained shall authorize the grantee herein to enter upon the surface of a claim owned
or possessed by another:

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities, and appur-
tenances of whatsoever nature thereunto belonging unto the said grantee above named, and to his heirs
and assigns forever; subject nevertheless to the above-mentioned and to the following
conditions and stipulations:

First. That the premises hereby granted, *with the exception of the surface*, may be entered by the proprietor of any other
vein, lode, or ledge, the top or apex of which lies outside of the boundary of said granted premises, should the same in its
dip be found to penetrate, intersect, or extend into said premises, for the purpose of extracting and removing the ore from
such other vein, lode, or ledge.

Second. That the premises hereby granted shall be held subject to any vested and accrued water rights for mining,
agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights
as may be recognized and acknowledged by the local laws, customs, and decisions of courts. And there is reserved from the
lands hereby granted, a right of way thereon for ditches or canals constructed by the authority of the United States.

Third. That in the absence of necessary legislation by Congress, the Legislature of Idaho
may provide rules for working the mining claim or premises hereby granted, involving easements, drainage, and other neces-
sary means to its complete development.

IN TESTIMONY WHEREOF I, Grover Cleveland, PRESIDENT OF THE UNITED
STATES OF AMERICA, have caused these letters to be made patent, and the SEAL OF THE GENERAL LAND OFFICE to be hereunto
affixed.

GIVEN under my hand at the City of Washington the twenty-first day
of May in the year of our Lord one thousand eight hundred
and ninety-two, and of the INDEPENDENCE OF THE UNITED STATES
the one hundred and twenty-sixth

By the PRESIDENT: Grover Cleveland
By W. H. Mayhew Secretary.

Hailey Land District.

PLAT

OF THE CLAIM OF

H. E. Miller and O. C. Miller,

KNOWN AS THE

SUNNY SOUTH LODE.

In Secs. 10-15, T. 2 N., R. 17 E., Mining District,

ALTURAS COUNTY, IDAHO.

Containing an Area of 20.662 Acres.

Scale of 200 Feet to the inch.

Variation 18° 30' East.

SUBMITTED September 13th, 1889. BY

Edmund B. True,

U.S. Deputy Mineral Surveyor.

The Original Field Notes of the Survey of the Mining Claim of

H. E. Miller and O. C. Miller,

known as the "SUNNY SOUTH" LODE,

from which this plat has been made under my direction, have been examined and approved, and are on file in this Office, and I hereby certify that they furnish such an accurate description of said Mining Claim, as well, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

I further certify that Five Hundred Dollars worth of labor has been expended or improvements made upon said Mining Claim by claimants or their grantors, and that said improvements consist of a DISC. CUT, five other cuts, a tunnel 4x6½x13 ft., a shaft 4x6x60 ft., a shaft 4x7x25 ft., and a shaft 4x8x20 feet, as appears by the report of the Deputy Surveyor and the testimony of two disinterested witnesses;

that the location of said improvements is correctly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.

U.S. Surveyor General's Office. Joseph C. Staughan,
Boise City, Idaho Territory. U.S. Surveyor General for Idaho,
October 22, 1889.

CERTIFICATE

I certify that the value of the labor and improvements upon this claim placed thereon by the claimants and their grantors is not less than Five Hundred Dollars and that said improvements consist of

A cut at Discovery 20 ft long 4 ft wide and 6 ft high the mouth of which bears from Cor 2 $N 4^{\circ} 46' E 360 \frac{1}{2} ft$ in granite. Value \$60.

An open cut 10x10x6 ft in vein matter and granite - The mouth of which is 20 ft offset ^{S.W.} from a point on the center line $N 51^{\circ} 33' W$. 415 ft. from Discovery Value \$50.

An open cut 25x6x10 ft in vein matter and granite - the mouth of which bears from Discovery $N 51^{\circ} 33' W 150 ft$ Value \$100

An open cut 10x10x6 ft in vein matter and granite - the mouth of which is 20 ft offset ^{S.W.} from the center line at a point $N 51^{\circ} 33' W 516 ft$ from Discovery Value \$50.

An open cut along the vein
 $N 63^{\circ} 30' W$ 60 ft 4 ft wide and 4 ft
 deep in vein matter the mouth
 of which is 20 ft offset S.W. from
 a point $N 51^{\circ} 33' W$ 625 ft from Discovery
 Value \$120.

An open cut 25 ft long 4 ft wide
 and 18 ft high at face, from which
 a tunnel $4 \times 6\frac{1}{2}$ ft runs with the
 cut due west 18 ft in hard rock,
 the mouth of which cut is 80 ft N.E.
 offset from a point $N 51^{\circ} 33' W$ 635 ft
 from Discovery Value \$190.

A shaft 25 ft deep 4×7 ft in vein
 matter, the center of which is on the
 center line of claim $N 51^{\circ} 33' W$ 680 ft
 from Discovery Value \$150.

A shaft 60 ft deep 4×6 ft in vein
 matter and hard rock the mouth of
 which is 40 ft offset S.W. from a
 point $N 51^{\circ} 33' W$ 705 ft from Discovery
 Value \$540.

A shaft 20 ft deep 4×8 ft in hard
 rock, the mouth of which bears
 from Cor. 4, $S 51^{\circ} 33' E$ 405 ft
 Value \$150.

No portion of this work has been included in the estimate of work upon any other claim in an application for patent.

That the improvements claimed are of the extent and character stated and that they exceed five hundred dollar in value is further attested by the affidavits of Cornelius D. Hubbs and Henry A. Freeman its disinterested witnesses

INSTRUMENT.

The Survey was made with an 8" GURLEY SOLAR TRANSIT. The courses were deflected from the true meridian as determined by solar observations.

The distances were measured with a 500 ft steel tape.

GENERAL DESCRIPTION.

The SUNNY SOUTH VEIN is from one to five feet wide in granite near its contact with limestone. The ore is mainly iron with some lead which will probably assay some silver.

The ledge is developed as shown in the foregoing report mainly by holes in the croppings or shafts in the vein.

The workings are all dry.

There is no timber on the claim, nor nearer than Deer Creek a mile west.

Bullhorn is about a mile and a half S.E. by road. Hailby 6 miles due East

The nearest Surveyed Claims are the Pass, Monarch, Bay State, Bon Ton, and Mountain Boy. Claims by E. A. Wall 1st on the South. The Dusty Bill unsurveyed on the west.

This claim is located on the N. side of what is known as Eureka Gulch. The creek is nearly dry, quite dry in places. —

FINAL OATHS OF ASSISTANTS.

We, CORNELIUS C. HUBBS
George C. CUMPTON
and Henry H. FREEMAN, do solemnly
swear that we assisted Richard B. True
United States Deputy Mineral
Surveyor, in marking the corners and surveying the bound
aries of the Mining Claim of
H. E. MILLER
O. C. MILLER

known as the
SUNNY SOUTH
LODE
situate in MINERAL HILL
Mining District, Altus County,
Idaho, in Sec 10 15 T2N R1E

represented in the foregoing field notes as having been sur-
veyed by said Deputy Mineral Surveyor and under his
direction, and that said survey has been in all respects, to
the best of our knowledge and belief, faithfully and correctly
executed, and the corner and boundary monuments estab-
lished according to law and the instructions furnished by
the United States Surveyor General for Idaho.

Cornelius C. Hubbs Chainman.
George C. Cumpston Chainman.
Henry H. Freeman Azman.
Henry H. Freeman Flagman.

Final Oath of U. S. Deputy Mineral Surveyor.

I, EDWARD B. TRUE, U. S.
Deputy Mineral Surveyor, do solemnly swear that, in pur-
suance of instructions received from the United States Sur-
veyor General for Idaho, dated August 31st 1889,

I have, in strict conformity to the laws of the United States,
the official regulations and instructions thereunder, and
the instructions of said Surveyor General, faithfully and
correctly executed the survey of the Mining Claim of

M. E. MILLER
O. C. MILLER

known as the
"SUNNY SOUTH"
LODE

situate in MINERAL HILL
Mining District, Alturas County,
Idaho in Sec^s 10 & 15 T2N R19E

and designated as Survey No. 794, as represented
in the foregoing field notes, which accurately show the
boundaries of said mining claim as distinctly marked by
monuments on the ground and described in the attached
copy of the location certificate, which was received by me
from the Surveyor General with said instructions; and that

all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear, that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant^s or Leslie grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

Edw. B. Lane

U. S. Deputy Mineral Surveyor.

Surveyor-General's Certificate of Approval.

OFFICE OF U. S. SURVEYOR-GENERAL,

Boise City, Idaho, October 17th 1889

I, Joseph C. Straughan, U. S. Surveyor-General
for Idaho, do hereby certify that the foregoing and hereto attached
Field Notes and Return of the Survey of the Mining Claim of
H. E. Miller and O. C. Miller,

known as the "Sunny South" Lode,

situate in Mineral Hill Mining District,
Alturas County, Idaho, in Secs. 10
and 15, T. 2 N. R. 17 E.

designated as Survey No. 794, Lot No. 92,
executed by Edward B. True, U. S. Deputy
Mineral Surveyor, September 13th + 14th 1889, under
my instructions dated August 31st 1889,
have been critically examined and the necessary corrections and expla-
nations made, and the said Field Notes and Return, and the Survey they
describe, are hereby approved. A true copy of the copy of the location
certificate filed by the applicant for survey is included in the Field
Notes.

Joseph C. Straughan
U. S. Surveyor-General for Idaho.
