RE: Objection to WR 73-4040

MICHAEL & BETTY NOONAN
7 BURSTEDT LN
ELLIS, ID 83235

Dear Mr. and Mrs. Noonan

I have reviewed your objection and compared evidence submitted as proof of priority for water rights 73-4040 and 73-4080 which share the same Point of Diversion. It is my conclusion that both of these water rights should have the same priority date of April 1, 1875. If this priority date will resolve your objection please contact me and I can make this adjustment to the department's recommendation.

If you have any questions or concerns please contact me at the number listed below.

Respectfully Submitted,

Nate Arave
