RAINBOW FARMS DITCH

State of Idaho)

County of LEWIS)
LEWIS

AFFIDAVIT

Gar L. Hodges

being first duly sworn,

deposes and says: The Rainbow Farms Ditch was started to be built in

the fall of 1934 and some water went through the ditch in 1936.

The ditch had full flow of water in July of 1937. The Rainbow
Farms have been watered from this ditch since 1937.

The ditch was built by Mr. Shoup back in about 1890 to the
farm and later the lower part of the ditch was abandoned. This
ditch has furnished water to the upper part of the farm since it
was first built in the 1890s.

There was A ditch built in the 1890's to some of the lower
ground on this farm, and has been in us since that time.

Some of the men who worked on this ditch in 1934, 35, 36, and 37
were J.F. Corbett, Ed Corbett, Fred Corbett, Glen Corbett, Bill
Corbett, Ross Corbett, Miles Schneider, B urdett Schneider, Bert
Schneider, Hans Johnson, Clair Johnson, G.A. Hodges, Paul Hodges
Gar Hodges, Jack Harkness, Howard Simms and other men who were
hired. These men were all property owners on the Rainbow Farms.
