RE: Subcase No. 63-32448 (Byrnes)

Dear Judge Melanson:

The Idaho Department of Water Resources ("IDWR") filed the Director's Report for Basin 63, Part 3 with the SRBA Court on December 19, 2006. Since that filing, IDWR has discovered a clerical error in the recommendation for this water right. Specifically, the quantity element of the water right was reported incorrectly. Accordingly, attached hereto is the revised recommendation showing the proposed corrections in underline/strikeout format. To date, this subcase is uncontested.

I am also sending a copy of this correspondence to the claimant to alert him of this issue.

If you should have any questions, please feel free to contact me at 287-4810.

Sincerely,

A handwritten signature in cursive script that reads "Andrea L. Courtney".

Andrea L. Courtney
Deputy Attorney General, IDWR
