Case No. 39576

) NOTICE OF COURT'S INTENT TO ISSUE
) AMENDED PARTIAL DECREE and
) NOTICE SETTING HEARING THEREON
)

) Water Right 63-00248
)

A *Partial Decree* was issued for the above right on May 11, 2007. On February 11, 2008, the Court was contacted by the Idaho Department of Water Resources regarding a possible error in the description for the Priority Date element for the right. The *Standard Form 5* filed March 19, 2007, included the following condition on the Priority Date element:

Pursuant to a call in times of scarcity, this right is senior to Bryan decreed right 63-297 and any future splits of this right.

This condition appears to have been omitted from the *Master's Recommendation* issued March 27, 2007, and the *Partial Decree* issued May 11, 2007. The Court finds that this was likely a clerical error.

Accordingly, it is the Court's intent to issue an *Amended Partial Decree* pursuant to IRCP 60(a) to correct the errors in accordance with the attached.

Therefore, IT IS ORDERED, that a **hearing be set** for the above subcase at **1:30 p.m. on May 20, 2008**, at the Snake River Basin Adjudication Courthouse, 253 – 3rd Avenue North, Twin Falls, Idaho. Any party wishing to object or comment on the Court's proposed action shall do so at that time. Attendance at this hearing by the claimants is not required, as the Court will take the proposed action in the absence of any objection to the contrary. Telephone participation will be available by calling 1-918-583-3445 and entering 406128 when prompted.

If there are any problems connecting to the conference call, contact the Clerk of the SRBA Court immediately at 208-736-3011.

DATED February 21, 2008.
